### **REQUESTOR'S POSITION SUMMARY**

**Requestor's Position Summary:** "Please review these bills and advise the insurance carrier to forward payment. They were initially denied stating the time limit for filing claims was exceeded. A request for reconsideration was submitted with the explanation that the claim was originally filed to another carrier due to the fact that the claimant has more than one workers compensation case. Proof of our initial filing was included with our request. The bills were denied again on 11/14/13 with no additional payment stating the original decision is being maintained. Copies of all supporting documentation are attached to this request."

**Amount in Dispute:** \$4,400.00

### **RESPONDENT'S POSITION SUMMARY**

**Respondent's Position Summary:** "The following is the carrier's statement with respect to this dispute of 2/5/2013 to 3/13/2013. VED V AGGARWAL MD provided services to the claimant on the dates above. VED V AGGARWAL MD states it timely submitted the bills to Sedgwick Insurance. VED V AGGARWAL MD does not indicate when he was notified that Sedgwick was not the correct carrier. Texas Mutual did not receive from VED V AGGARWAL MD a copy of the original bill submitted to Sedgwick. The rationale given by the requestor for the late bill is not consistent with the Rule... ### **FINDINGS AND DECISION**

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
2. 28 Texas Administrative Code §133.20 sets out the procedures for health care providers to submit workers' compensation medical bills for reimbursement.
3. 28 Texas Administrative Code §102.4 sets out the rules for non-Commission communications.

4. Texas Labor Code §408.027 sets out the rules for timely submission of a claim by a health care provider.
5. Texas Labor Code §408.0272 sets out the rules for certain exceptions for untimely submission of a claim by a health care provider.
6. The services in dispute were reduced/denied by the respondent with the following reason codes:
  - 29 – The time limit for filing has expired.
  - 731 – Per 133.20 provider shall not submit a medical bill later than the 95<sup>th</sup> day after the date the service. For services on or after 9/1/05.
  - 193 – Original payment decision is being maintained. Upon review it was determined that this claim was processed properly.
  - 891 – No additional payment after reconsideration.

### **Issues**

1. Is the timely filing deadline applicable to the medical bills for the services in dispute?
2. Did the requestor forfeit the right to reimbursement for the services in dispute?

### **Findings**

1. 28 Texas Administrative Code §133.20(b) states, in pertinent part, that, except as provided in Texas Labor Code §408.0272, “a health care provider shall not submit a medical bill later than the 95th day after the date the services are provided. In accordance with subsection (c) of the statute, the health care provider shall submit the medical bill to the correct workers' compensation insurance carrier not later than the 95th day after the date the health care provider is notified of the health care provider's erroneous submission of the medical bill. A health care provider who submits a medical bill to the correct workers' compensation insurance carrier shall include a copy of the original medical bill submitted, a copy of the explanation of benefits (EOB) if available, and sufficient documentation to support why one or more of the exceptions for untimely submission of a medical bill under §408.0272 should be applied...” Review of the documentation submitted by the requestor finds no convincing documentation was found to support that any of the exceptions described in Texas Labor Code §408.0272 apply to the services in this dispute. For that reason, the requestor in this dispute was required to submit the medical bill not later than 95 days after the date the disputed services were provided.
2. Texas Labor Code §408.027(a) states, in pertinent part, that “Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment.” 28 Texas Administrative Code §102.4(h) states that “Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on: (1) the date received, if sent by fax, personal delivery, or electronic transmission or, (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday.” Review of the submitted information finds no documentation to support that a medical bill was submitted within 95 days from the date the services were provided. Therefore, pursuant to Texas Labor Code §408.027(a), the requestor in this medical fee dispute has forfeited the right to reimbursement due to untimely submission of the medical bill for the services in dispute.

### **Conclusion**

For the reasons stated above, the Division finds that the requestor has not established that reimbursement is due. As a result, the amount ordered is \$0.00.

### ***ORDER***

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
